

## Declaration of Intention to Crusade Against Dishonesty for 2019

### “NHCO Honesty Transparency Innovation Participation”

Thursday 14<sup>th</sup> February 2019

-----

I, Doctor Poldej Pinprateep, as the top executive of the National Health Commission Office (NHCO) together with staff of NHCO would like to declare and express the intent that the National Health Commission Office is performing duties in order to serve people, community, local governments and the country with honesty and to remain forever loyal to each and every great monarch of the Chakri dynasty.

I shall also conduct myself as a good and morally righteous person, living an honourable life and upholding the values of human dignity, showing the respect to differences and the courage to stand up for what is right by not being dishonest to the country nor tolerating graft and corruption or the use of position for personal gain and benefit thus bringing hardship and suffering to people and natural resources as well as environment.

I shall perform my tasks and responsibilities to the best of my abilities in achieving the vision and goal of the organization in advancing the participatory public policy process based on wisdom by applying a technological system for increased efficiency, transparency and innovation.

I shall develop the charter of suchon people and persistently promote the core values of the National Health Commission Office as the organizational culture. The core values consist of six characteristics, namely, (1) synergy & strategy (2) operation by teamwork (3) civic mind & communication (4) integrity & righteousness (5) adeptness and (6) learning & adaptation.

I hereby pledge that I shall humbly follow in the royal footsteps by espousing the principles set forth by the righteous King and will conduct myself in accordance with the Sufficiency Economy philosophy with diligence and perseverance perpetuating his noble intent and standing steadfastly by the side of those who are truthful and honest for the sake of the long lasting stability and prosperity of the Kingdom of Thailand.

Announcement made on this 14<sup>th</sup> February, 2019

(Mr. Poldej Pinprateep, MD.)

Secretary-General of National Health Commission
